MEMORANDUM FOR: Chief, DS&T Branch, Position Management & Compensation
Division/OP

THROUGH: Director, Foreign Broadcast Information Service

FROM: Chief, Personnel & Training Branch/FBIS

SUBJECT: Staffing Complement Changes - Production Group/FBIS

REFERENCE: FBIS Staffing Complement Date 30 June 1985

25X1

FBIS requests that the following Production Group positions be moved on the staffing complement to better reflect the actual positioning of personnel:

1. On page 2785, delete the designation Science & Technology Program from NEAD.
2. Position number GS089, Intelligence Officer Foreign Documents SOP, should be moved from the North Europe Program/ELAAD, PAGE 2790, to OC/PROD/TSS/FLASC, page 2777, directly after POSNO DJ078.
3. POSNO DJ074, Intelligence Officer - General, should be moved from OC/PROD/TSS page 2777, and entered directly after DJ071, DC/PROD, page 2775. Also, the title of this position should be changed to Special Assistant.
4. USSR Division's Scientific & Technology Branch will expand from two to three programs. Change the title of the Science Program on page 2781 to Physical Sciences & Engineering Program.
5. Move POSNO GS057 from page 2782 to 2781 as the first POSNO in the Physical Sciences & Engineering Program.
6. Move POSNO HD084, page 2785 to 2781, following POSNO GS057.
7. Move POSNO GS059 from 2782 to page 2781 following POSNO HD084
8. On page 2782, insert the new program, Communications, Computers & Electronics Program, before POSNO DJ095. POSNO DJ093 will become the first POSNO listed under Communications, Computers & Electronics Program.
